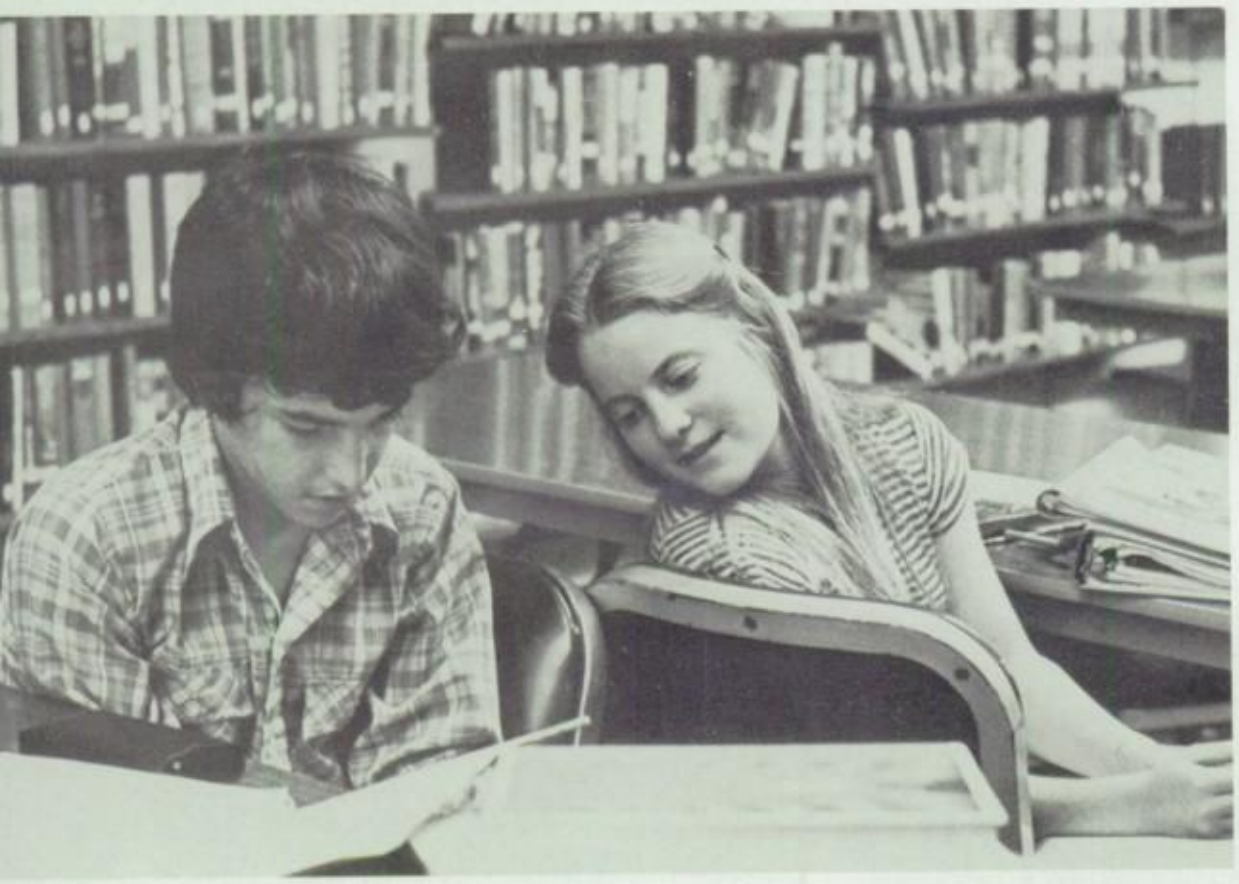
In striving for excellence, one expects one's whole being - but the foremost part of striving is in the reaching, the outstretched gesture of the reaching arm.

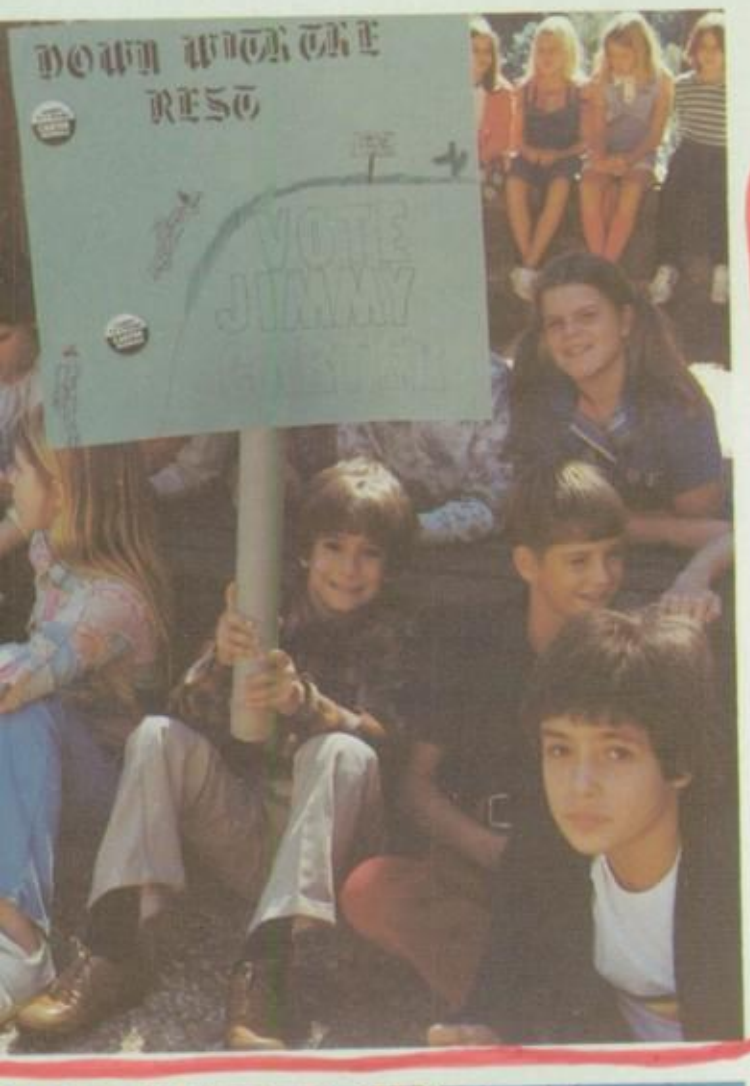
ARCTIC



COCHRAN P.S.

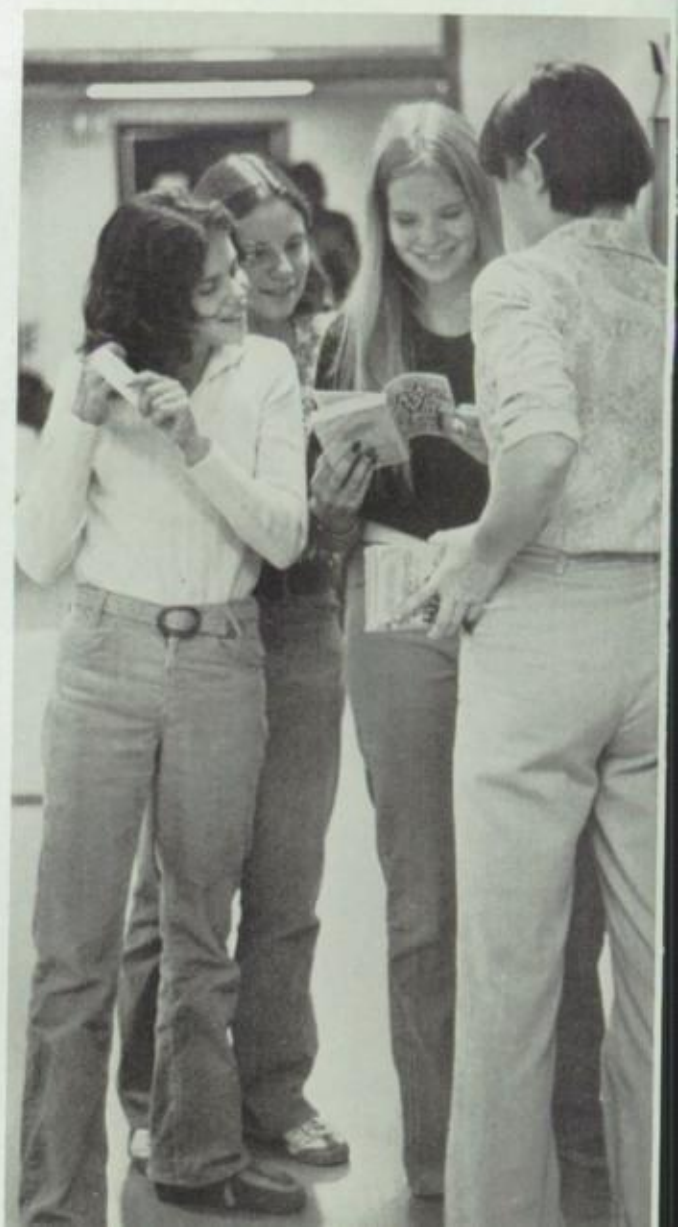
Dear Jeff,

It's been great fun this year! It's gone by so fast too! I can hardly believe that we're going to be seniors next year! I've really enjoyed talking w/you + being around you this year. We've had a lot of good times - Remember - that party in the park at Brookwood Hill. You were so drunk - you were leaning on me like it was a tree - Scott Rich was the same way - That was the first time I had really talked to you UNITY I couldn't believe you were talking to me - I guess it was understandable considering your condition. Then when we all went to Sam's party - I don't think I'll ever go to another one of his parties + I surely won't park at Pace - I was so drunk + hysterical that night - I thought I was going to be dead - It sure did help when mom laughed when I told her the next morning! I sure was scared



through! Stacy & I just ran and you just stood there! They were so mean to me that next week - that's why I hate this school - the Administration sticks! They love to harass people - anyway we'll be out next year. I hope that you have a good summer and maybe I'll see you in Hilton Head! Take Care and be good!

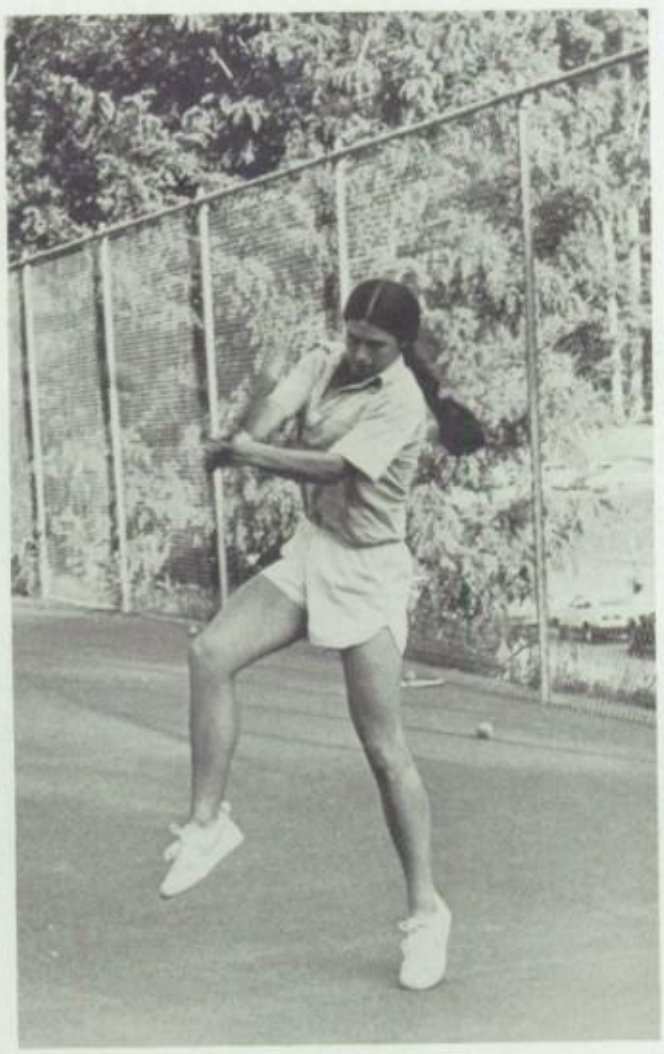
Love ya,
Leigh



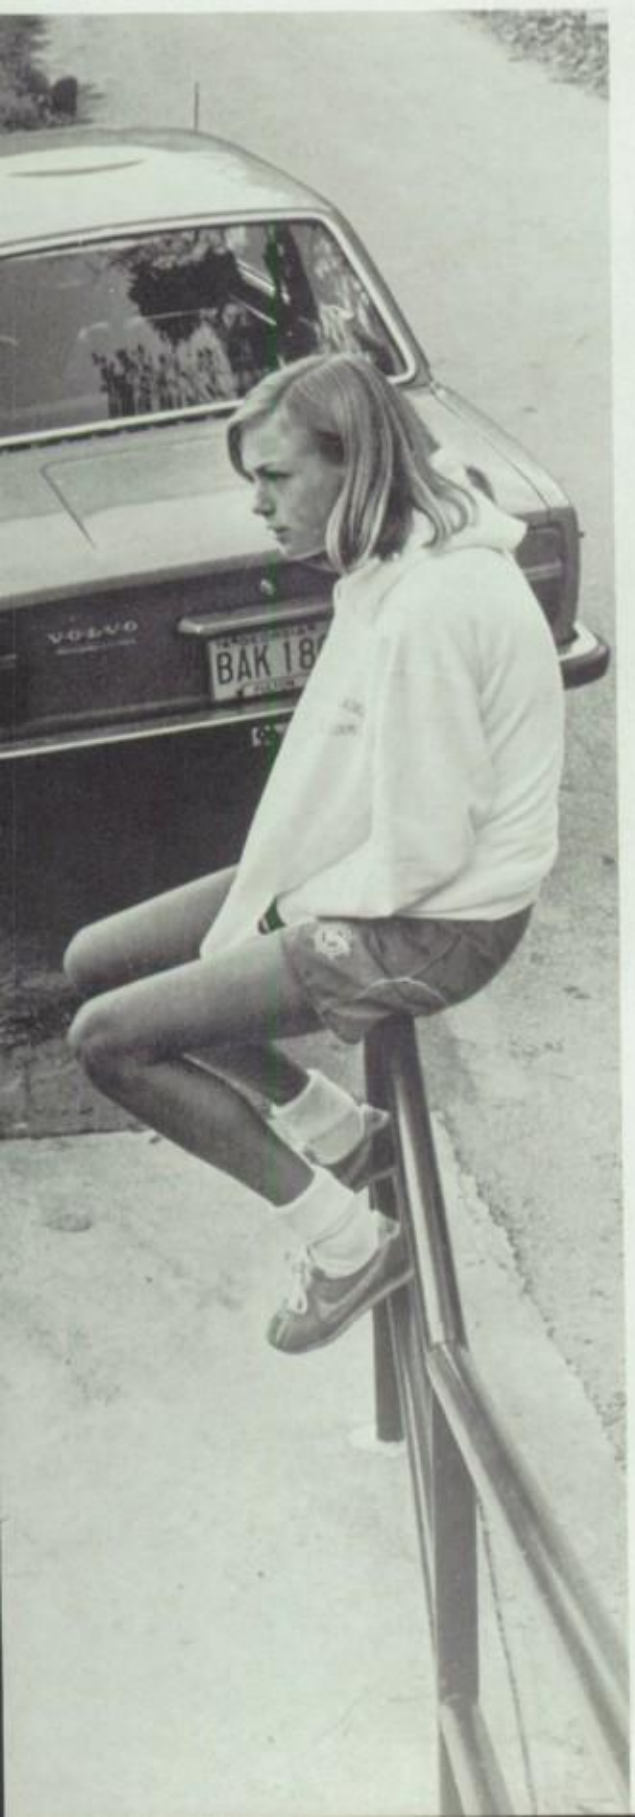
Immediate rewards lie in the getting, the achieving of the immediate goal - but always, in the pursuit of true excellence, there is a goal beyond, and a goal beyond that, and another, and another . . .

GLORY

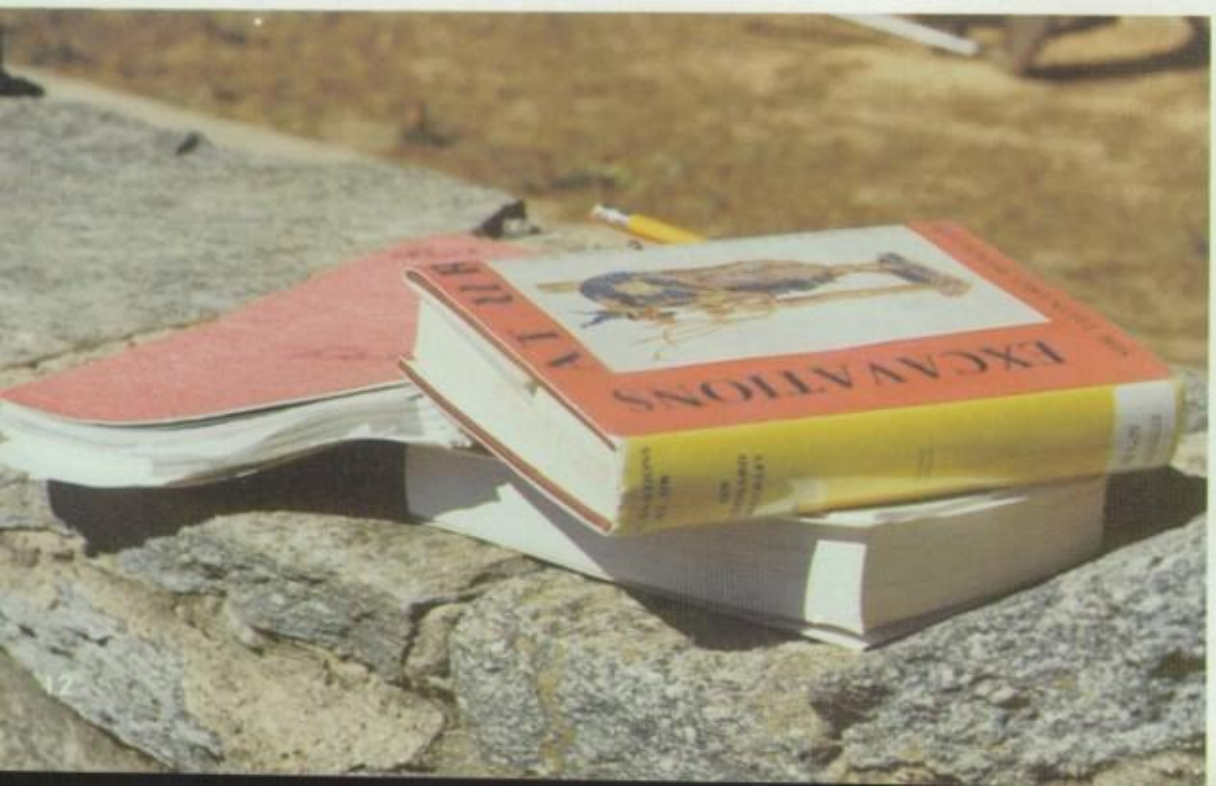
We strive for each one in turn,
and thus are always reaching -
reaching out, reaching up . . .



Ah, but a man's reach should exceed his grasp, or what's a heaven for?

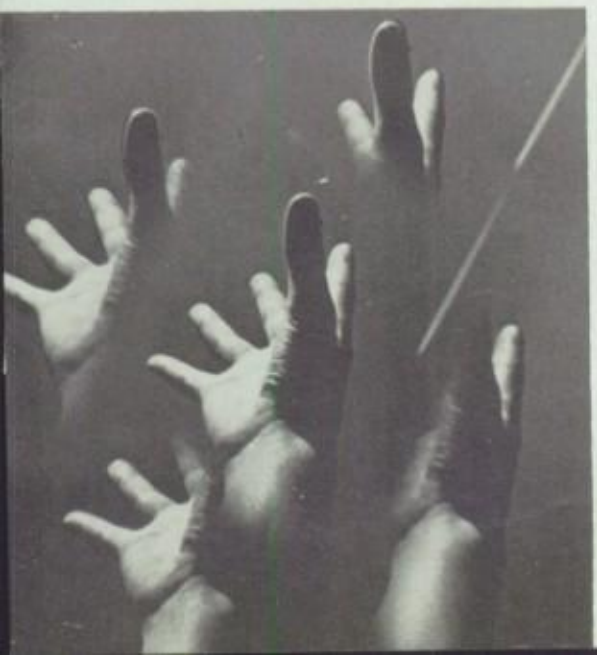


WISDOM



COMPANIONSHIP

We reach for much, for many things, and our reaching extends through all dimensions.



Dear Jeff - I sure as hell am going to miss you. We have gone to the same school longer than anyone else. You're a great guy to know & I'm glad that we are good friends. Good luck in the future & take care. Have a great summer & write if you have time.

Love ya,
Jodi

Dedication

We, the Pacesetter staff, are pleased to dedicate this edition of the Pacesetter to Mrs. Paula Mallory. Mrs. Mallory has been teaching at Pace for six years, and has gone far beyond the requirements of her job. She has continually put out the extra effort to help her students, staying late after school 3 to 4 days a week. For the past several years, she has been the advisor to the Math and Science Club and the director of the Science Fair. In view of all her dedicated service to Pace, the dedication of the 1977 Pacesetter could not have gone to a more deserving recipient.

Country Fair

Jeff,
Now lucky for you, you decided to come into Physiology 4 times in a row. I enjoyed your crazy wit even if you didn't do anything all year. Have a nice Summer.
Mrs. Allen

An old experience made new and exciting this year was the Pace Country Fair. The Fair covered the entire Pace campus, and anyone who walked through the grounds saw an outdoor carnival, an auction, various booths, strange-looking faces, picture-taking, and spookhouse, and the spectacle of someone wrestling a gorilla. With the help of Mrs. Austin Kelley, Pace reaped the bounties of one of the most successful fairs in Pace history.

Science Fair

First place in the Biological Science division went to Chris Sweitzer's "Swedish Ivy" in grades 9 and 10, and in grades 11 and 12, to Sheila Collins' "Comparative Susceptibility of Three Types of Anopheline Mosquitoes to Plasmodium Vivax," which also won the grand award.

In the Physical Science division, there was a tie between Paul Ioannides' "Solar House" and Scott Siewert and Todd Smoot's Aerodynamics for first place in grades 9 and 10. In grades 11 and 12, the winner was Dickson Brown's "Effect of Geometrical Shapes on Structural Strength."

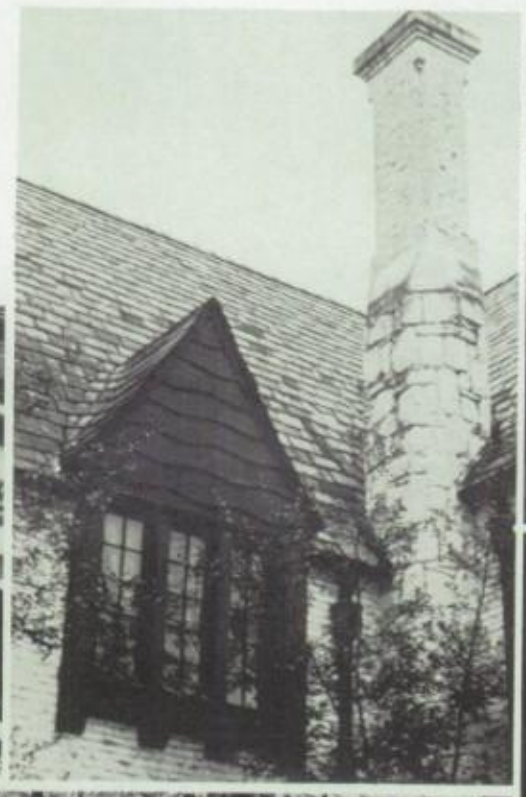
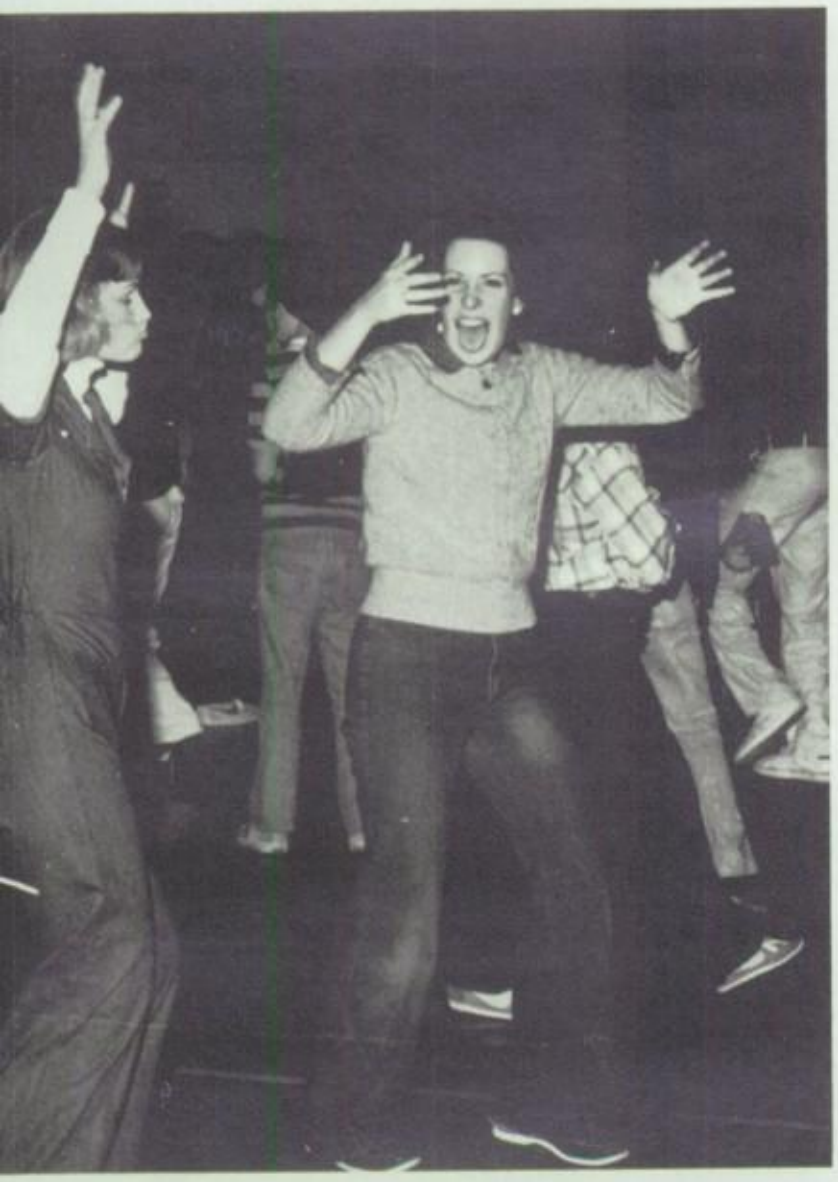
Pace Grounds

On January 4, 1977, Pace took a giant step towards reaching new heights in the development of the campus. The colonial style Randall home adjacent to the Pace campus will be incorporated into the school as the Fine Arts Building and will be utilized for music, art, and drama classes. The five acres of land will provide the school with greater flexibility for future additions.

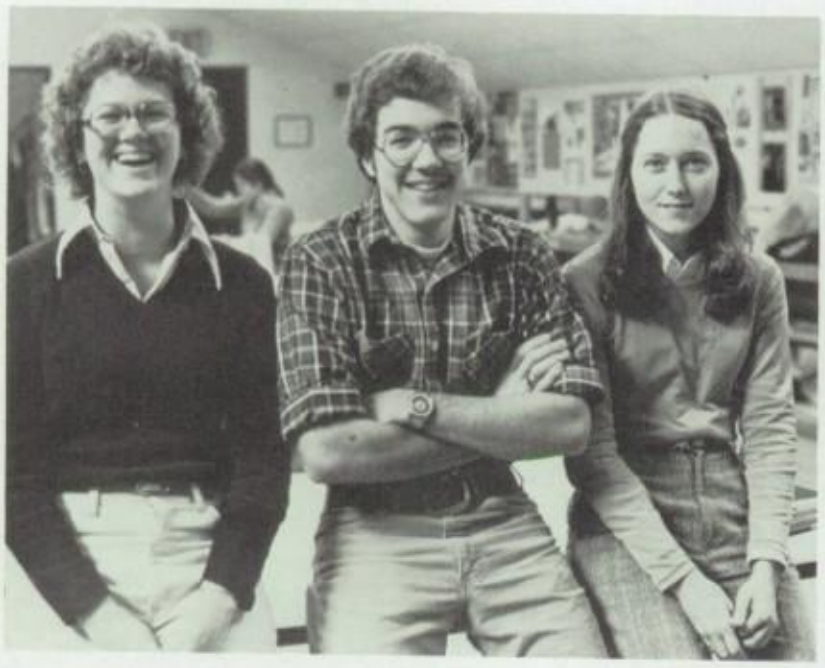


Dances



High School Music

Pace sent three singers, Greg Ford, Palmer Watson, and Mary Mikell Robertson, to the Senior High All-State Chorus.



The Dames (trio), Damsels (ensemble), Jesters (quartet), and Squires (ensemble) attended the GMEA sponsored Solo and Ensemble Festival. These groups also sang in the Literary Meet and at several concerts throughout Atlanta, including the Magic Pan, the Fairmont Hotel, and Lenox Square.

OF THEE I SING

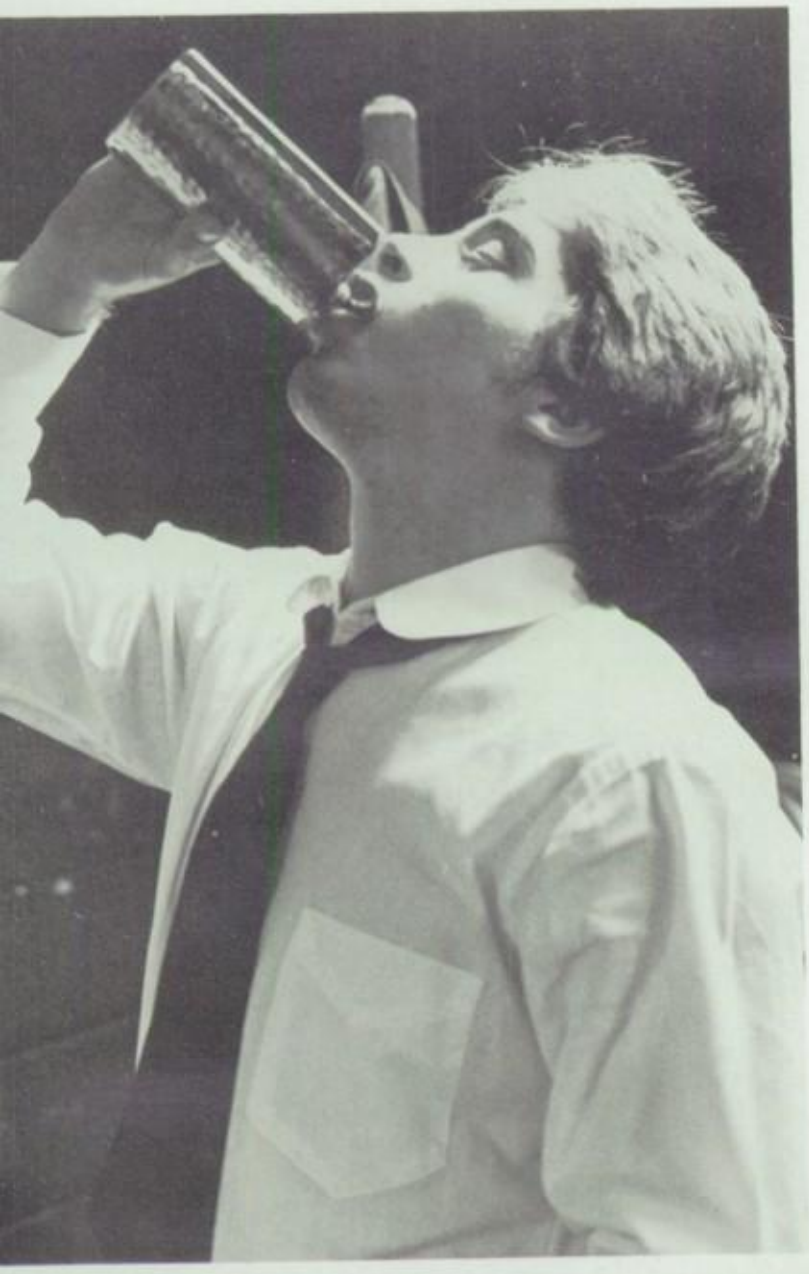
Pace Academy chose the musical "Of Thee I Sing" as the fall production this year. The play was written in 1931 by Morrie Ryskind and George Kaufman with lyrics by George and Ira Gershwin. It was the first to win a Pulitzer Prize for drama.

The musical was based on a presidential campaign ironically befitting the political scene last fall. "Love Is Sweeping the Country," sung frequently throughout the production, echoes the "love" theme in Jimmy Carter's campaign. The Vice Presidency, racial issues, and foreign policy are all issues that are "funnier than the government and not nearly so dangerous" - New York Times.

Reaching out into the Pace community, our music department gave the opportunity for many parents as well as students and faculty to participate in building sets and making up the cast. For the first time, Pace had professional sets made to keep and re-use for years to come.

THE TYPISTS

Under the direction of Mr. George Mengert, "The Typists," a one-act play by Murray Schisgal, placed first in Region 7B competition. In January Frances Lergenmiller, as Sylvia Payton, and Lee Chait, as Paul Cunningham, placed first in the State Class B competition. This was the first time in Pace history that the one-act play won the championship. Nancy Canter was the assistant director and stage manager.



The play revolves around the changing lives of two people who work at the same job in the same office. Forty-five years of their lives are spent in this office and their characters and personalities vary with the time span.

Social Services

For the third year, Pace Juniors and Seniors have participated in a tutorial program at the Finch Elementary School in the Perry Homes area. The principal of Finch, Mrs. Dawson, has been extremely co-operative in integrating Pace students into the school's program as aides and teacher assistants. This program takes place during Pace students' free time. The head of the program this year is Hugh Lane. Next year's leader will be Kim Ripley.

The Jackson School tutorial program entered its record year under the capable leadership of Lisa Rinzler and through the kind co-operation of Mrs. Wooten, the principal of Jackson. Students served as assistants in academic areas.

Atlanta Volunteer Action entered its fourth year and has proven to be one of Pace's most stable and successful social service programs. During the fall, after-school tutorial of students from S.E. Atlanta and the Brookhaven area took place two afternoons a week on Wednesday and Thursday. The head of the Wednesday program was Debbie Maslia, while the head of the Thursday program and over-all co-operate was Amelia Bruce. Amelia was assisted by Susan Canter. In the winter, these two programs were consolidated, and the tutorial took place thereafter on Thursday afternoon. There were two graduations during the course of the year, one in January and another in May, and the annual Christmas party was held in mid-December.

Bo and Mark finished second in their pound classes, while Todd Smoot captured the Region championship at 119 lbs. and Chris Sotus won the championship at 191 lbs. Three boys achieved the semi-final round with Todd Smoot finishing fifth in the 119 lb. class, Robert Morgan finishing third in the 138 lb. class, and Bo Kingree, who was the first Pace wrestler ever to achieve the final round, finishing second in the 167 lb. class. This was the best Pace finish ever at the State Meet. This year's co-captains, Bo Kingree and Scott Harris, had a combined dual meet record for the year of 13-5. Bo was 8-4 for the year, while Scott at 152 lbs. was 5-1.

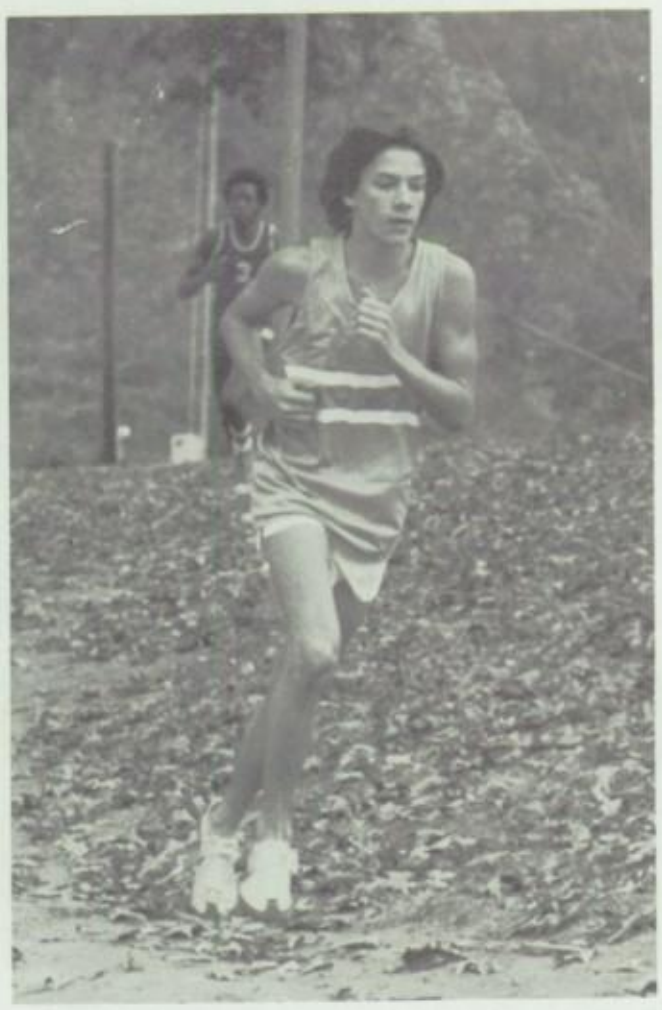
Swimming

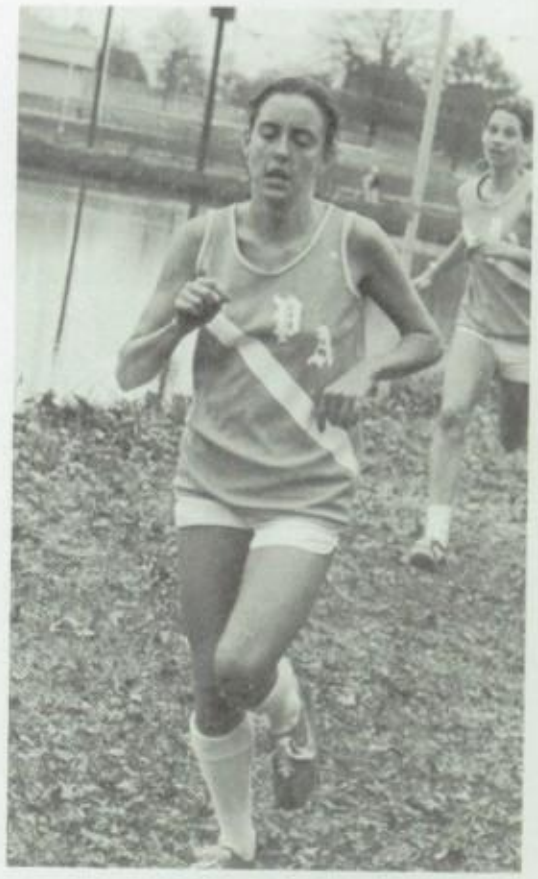
This year's girls' team, though very talented, lost a great number of meets due to lack of quantity. They improved a great deal over last year, due in part to hard work and in part to the addition of Janet McLeod to the team. Even though we are losing two fine swimmers to graduation, we can expect a strong team next year. The boys' team, though it did not go to State Meet, was greatly improved over last year's, setting many new school and personal records. This team should be better next year, because each member is returning.

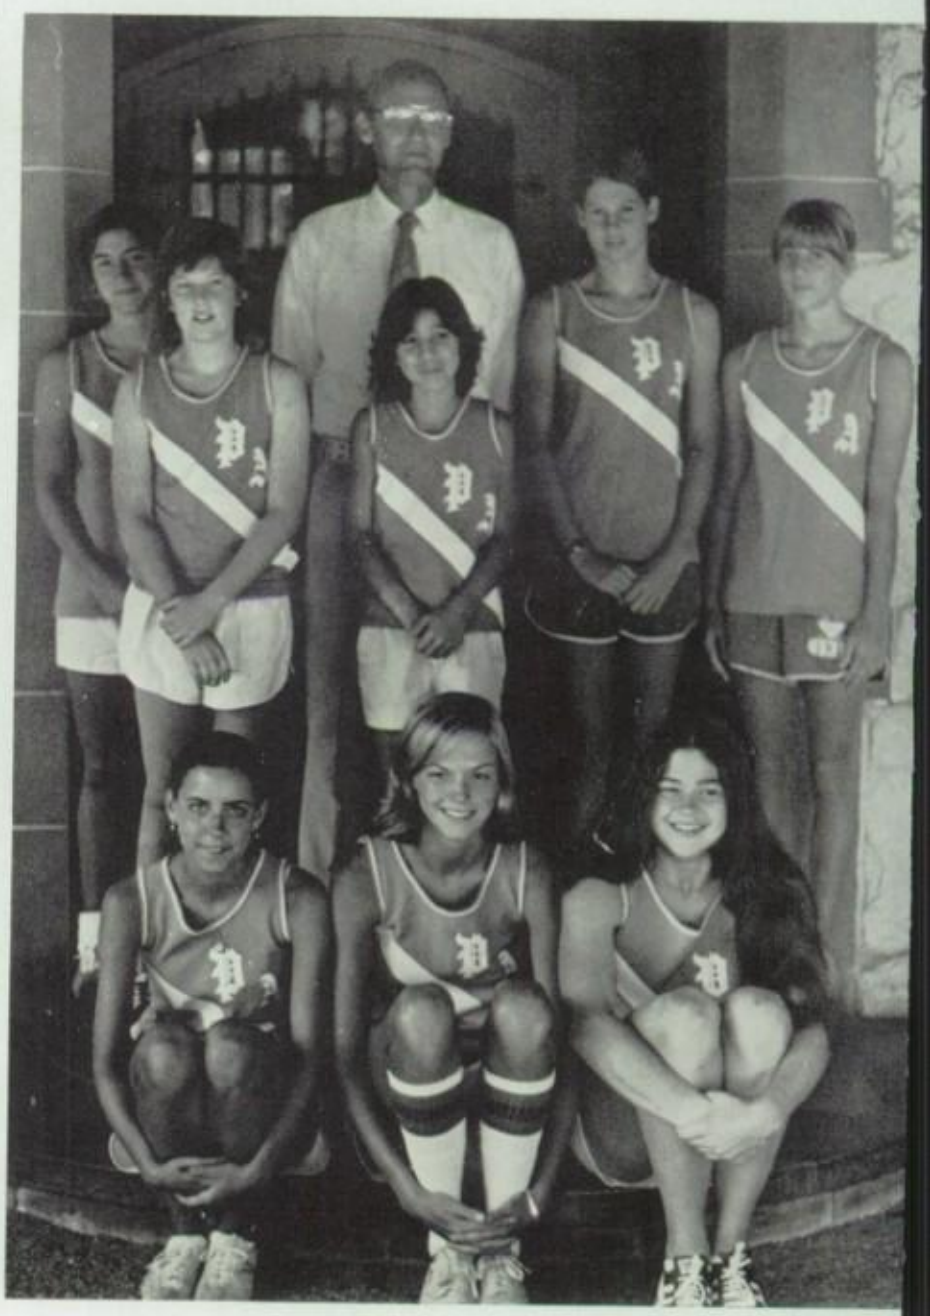
LETTERS: Mary Helen Thompson and Richard Harrower, captains; Betsy Brady, Annabelle Kirkpatrick, Susan Kelley, Susan McLester, Janet McLeod, Anita Rogers, Scott Seiwert, Leslie Werder. PARTICIPANTS: Jonathan Mohr and Joanna Weideman.

Cross Country



This year's boys' and girls' cross country teams did extremely well, placing second and first, respectively. Next year should be even better, since there is considerable depth at the freshman level.





LETTERS: Alisa Davis, Wendy Wilmot, Lee King, Emily Neill, Mary Bruce, Laura Chandler, Ada Healey, Laura Cohen, David Reece, Chris Sweitzer, Steve Klaesius, John McCune, Todd Smoot, Andy Taylor, Russell Holladay, Mark Lamb, Billy Chandler, Lloyd Schoen, Loren Peterzell, Billy Waid. 1977 Pacesetter Supplement

Fine Arts Festival

The annual May Festival was the largest and best ever this year. Noted lecturers, artists, musicians, dancers and craftsmen were in residence during the week's campus-wide activities. Art exhibits, dramatic and musical performances by Pace students, faculty and parents also were part of the celebration. The art exhibits were displayed in the Randall Home, the new fine arts building. Dance and musical performances were held inside the home as well. The gardens were transformed into a French Cafe where lunch was served to anyone who purchased a ticket. The gardens were also used by visiting craftsmen to give demonstrations on pottery, weaving and macrame.

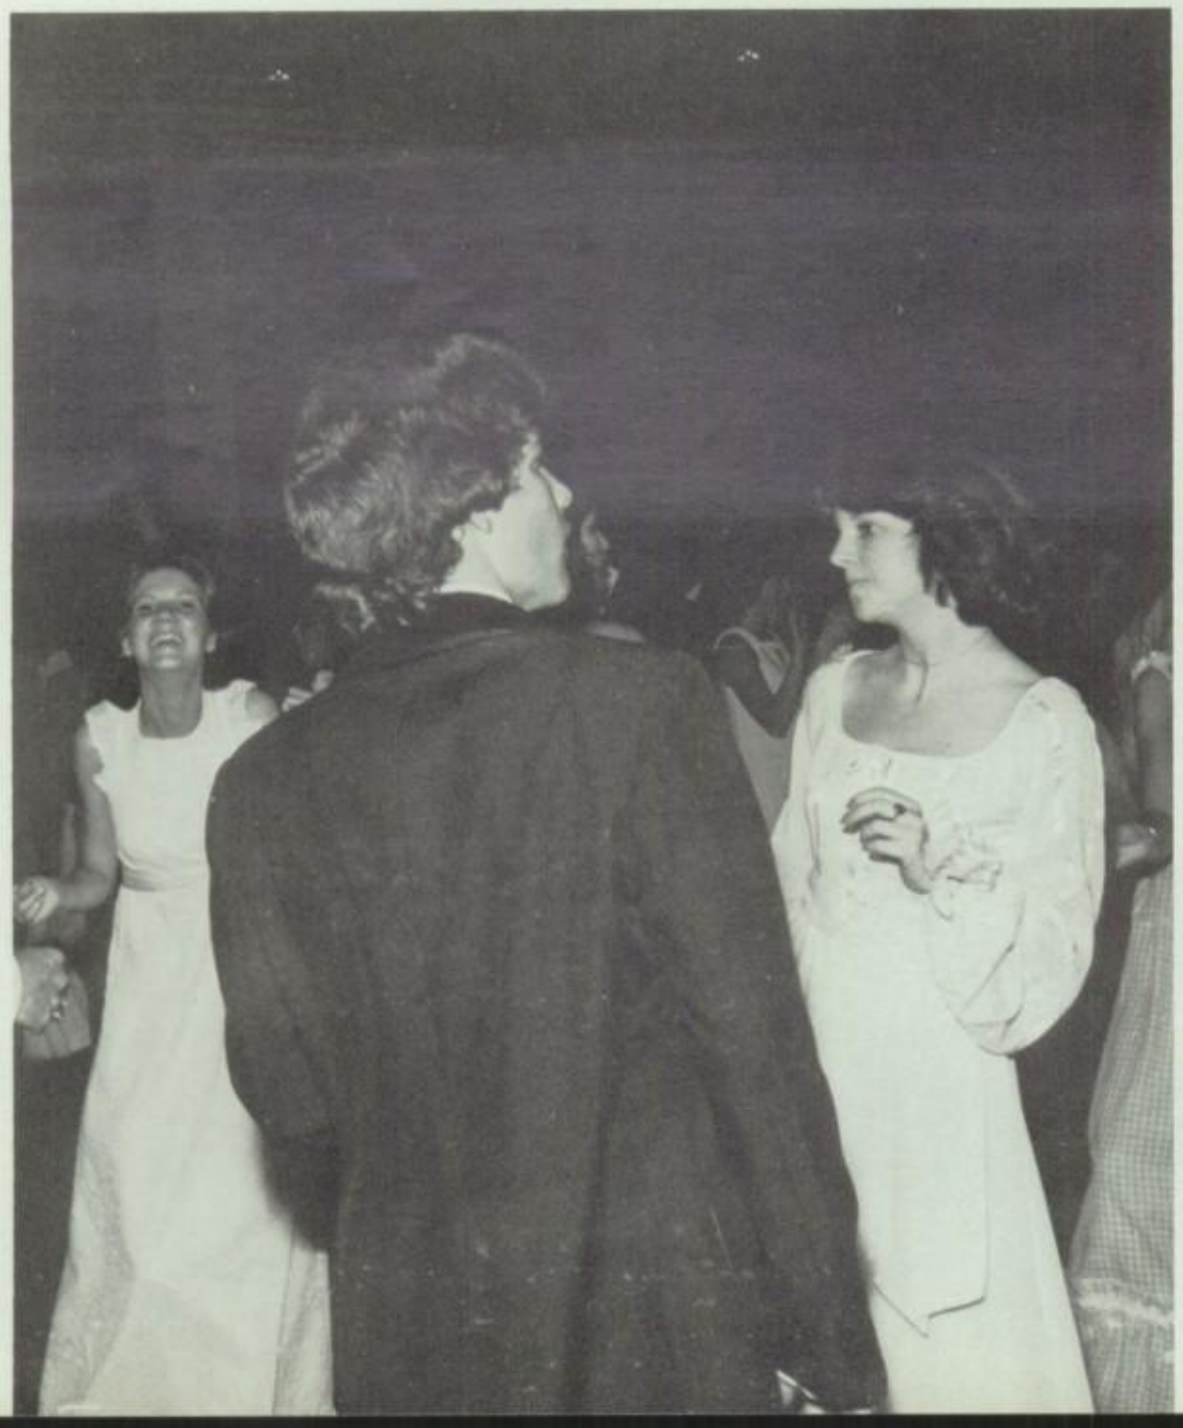
Visiting lecturers and exhibitors included art collector and Pace parent William R. Arnett, photographer Helen Burns, cartoonist and illustrator Vernon Carne, architect Lane Duncan, also a Pace parent, and a sculptor Julian Harris. Other visiting artists were Lit Connah, Pat Turner Cravey, Andrew Fodor, Gretchen Larson, Eve Mantis, Randy Starnes and Mary Ann Swanson.

Distinguished musicians were Thomas O'Donnell, violinist, and Paula Gorelkin, pianist; and a Vocal Quartet, Barbara Dean, Susan Poole, Sam Hagan and Verley Spivey; Maxine Pilcher, pianist, provided music each evening during an Open House at the Randall Home. Visiting musicians from other schools included the Pied Pipers from Emory, the Henderson High School Band, and the Electronics Lab from Sandy Springs Middle School.

This year dance was a major part of the Fine Arts Festival. The City Center Dance Theater, a company from the Southern Ballet, and the Greek Folk Dance Group performed. In addition to watching the accomplished performers, tap and jazz classes were held in the Randall Home. The classes were taught by Coby Grosbart, dancer and choreographer with the Southern Ballet; Bess Finch, director of the Ruth Mitchell Dance Company, taught a short course in ballet; and Libby Nagel, dance instructor at Northside High School, taught a course in modern dance.

During the May Day Coronation, The Curb Circus, a group of mimes by Meli Kaye of the Kaye Dance and Mime Studio, performed.
The drama club presented HARVEY, starring Lee Chait and Frances Lergenmiller. The Chorus performed at several events as did the Maids in Waiting.

Junior-Senior Prom



The junior class worked very hard during the magazine sale to raise the winning total that enabled them to put on one of the best Junior-Seniors in Pace history. It was held in the Phoenix room of the Hyatt Regency Hotel. The music was by Shout. The breakfast was held at the Singletons' house afterwards.

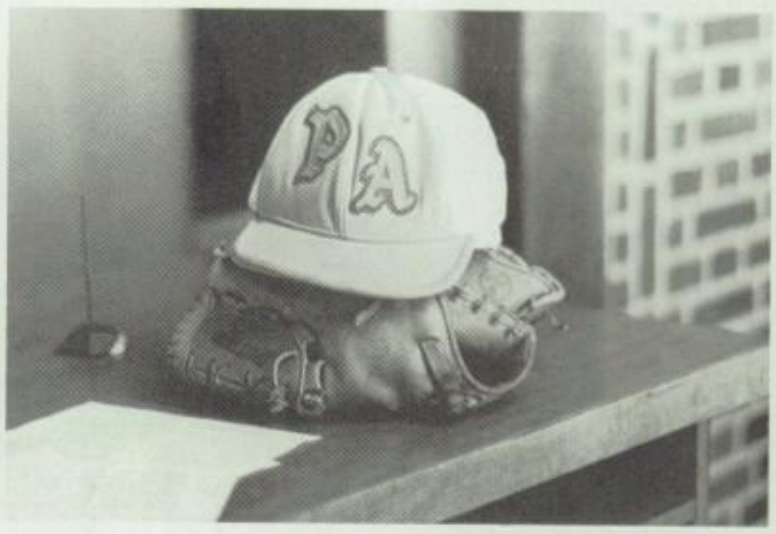
Junior Varsity Baseball

This year's J.V. Baseball Team was based mainly around individual improvement. Their win-loss record, 0-10, was misleading as they played against older teams with their own team being small in number. This team gained experience for many inexperienced players which should be reflected in the years to come. Participants: Burr Buell, Doug Chait, Peter Corry, Jeff Davis, Mark Dellinger, Todd Fogel, Joseph Goldwasser, Todd Griffies, Ted Jonas, Steve Kim, Dave Lynn, Randy Marcrum, David Maslia, David Reese, Peter Simonton, Alan Smith, Mose Smith, Chip Winn. Coach: Mr. Jim Withers.

Varsity Baseball

Primarily due to youth and inexperience, the baseball team suffered its most difficult and disappointing season. However, the hard work and unending desire of the team this season promises much individual and team improvement for next year.



PARTICIPANTS: Jeff Davis, Randy Marcrum, Mose Smith. LETTERMEN: Kevin Kaley, Billy VanLandingham, Eddie Rittenbaum, Darryl Aldridge, Larry Chandler, David Cooper, Scott Fogel, Billy Griffin, Jeff Hahn, Brian Kahn, Lloyd Schoen. COACHES: Mr. Charles Owens and Mr. Craig Owens.
MANAGER: Joy Cohen.
STATISTICIAN: Irwin Galanti.

Field Days

Track

Boys' Varsity Track
The Region Track Meet showed the improvement of the team over the season. Todd Smoot ran a 4:58 mile which was good enough to put him in third place. Jeff Hahn and Mark Lamb tied for 4th place in the high jump. Chris Sweitzer placed 5th in the 880 yard run. Overall, with the experience gained this year, we are expecting a good season next year. PARTICIPANTS: Scott Fogel, Jeff Hahn, Richard Harrower, Russ Levine, Mark Lamb, Fletcher Shackleford, Bill Callaham, Todd Smoot, Chris Sotus, Chris Sweitzer, Coach John Mayer.

BOYS' JUNIOR VARSITY TRACK PARTICIPANTS: Jim Lau, Paul Attaway, John O'Shields, Robert Beauchamp, Don Inman; Coach: John Mayer.

The Girls' Varsity Track Team performed very well this season coming in second place in both the Region and in the State competitions. In the Region Meet, Wendy Wilmot won five gold medals, a record that can never be beaten, only tied. It was also the first time Pace has placed second in the State. Several school records were set during the season; Eleanor Herndon, Virginia Herndon, Ada Healey and Wendy Wilmot set new records in the 440 yard dash and in the mile relay; Wendy Wilmot set a new record in the high jump and 880 yard run; Ada Healey broke the school records in the long jump and low hurdles; Eleanor Herndon set a new record in the 100 yard dash.

PARTICIPANTS: Virginia Herndon, Wendy Wilmot, Alisa Davis, Catherine Watson, Ada Healey, Eleanor Herndon, Mary Bruce, Traci Fogel.

JUNIOR VARSITY GIRLS' TRACK PARTICIPANTS: Lynn Gaunder, Meg Boulware.

Student-Faculty Basketball

The Student-Faculty basketball game, sponsored by Pace's service learning program, was by far the best in a long time. The money raised by the ticket sale went to help needy families in the Atlanta area.

Students put up a tremendous fight for victory over the faculty in the Student-Faculty basketball game. They were defeated, however, in the game against the men's faculty. The students pulled through in the game against the women faculty.

Harvey

This year's Fine Arts Week was topped off with a visit from a six foot pooka. Harvey "appeared" for three nights and was well received by each audience. Lee Chait was added to the list of illustrious actors who have played Elwood P. Dowd and he did an excellent job. Frances Lergenmiller was convincing in her role as the high-strung Veta Louise Simmons. This year's production was lucky in having the aid of Allen Pait in set design and construction, lighting, crew, etc. "Harvey" resulted in Dr. Chumley seeing the pooka, Myrtle Mae meeting the eligible "white slaver" Wilson, and Mr. Dowd's close re-introduction to reality. But all was well after the cab driver enlightened Veta as to the personality Elwood would acquire after the injection; it was halted and Harvey and Elwood remained friends forever. Harvey will also remain a friend to all who saw this superb production.
